Waterfront 2020

If you've been to one of our design presentations before, you know they're a blast. Hear from James Corner, lead designer of Seattle's future waterfront, view our 14-foot scale model, and grab a bite from [Sam Choy's Poke to the Max](#), [My Sweet Lil' Cakes](#), or [Street Hawk](#).

Field Day

Rain or shine, join us on the waterfront for a day of kid-friendly

activities. Learn about Seawall construction and Elliott Bay habitat, view “before and after” images of the new waterfront and even adopt a gribble. While you’re there, be a part of history and add something to our time capsule!

Visit DowntownSeattleParking.com to find cheap parking in Downtown Seattle’s Pioneer Square and Waterfront neighborhoods. Rates at six participating garages are **\$3/hour** for up to four hours—that’s the same or less than street parking (tax included).

MORE PARKING. LESS CIRCLING.
