11:35 Design Perspectives on Project Phasing and the Strategic Plan Discussion

1. What is the compelling statement for what the design is meant to achieve?
2. What is the criteria for selecting the initial project elements?
(as suggested at 1/24/12 joint workshop):
 - *Essential foundation that must be built first*
 - *Easy enough to do independently*
 - *Affordable and realistic in public's view*
 - *Enough to be transformative*
