

# UTILITY WORK ON COLUMBIA STREET STARTING NEXT WEEK

Starting Monday, June 11, underground utility work will begin at Columbia Street and Alaskan Way (see map below). This follows the completion of underground utility work at Union and University streets. This work is part of a larger effort to relocate critical electrical infrastructure prior to viaduct demolition.

## WORK ZONES

- Various locations on Columbia Street between Alaskan Way and Western Avenue (see map)

## SCHEDULE AND HOURS

- Monday through Friday, 7 AM to 5 PM
- Occasional overnight and weekend work

## PARKING AND LOAD ZONES

- On-street parking and load zones temporarily restricted in active work zones

## PEDESTRIAN AND VEHICLE ACCESS

- Traffic along Columbia Street will be reduced to one lane between Western Avenue and Alaskan Way
- No impacts to pedestrian or business access

## EQUIPMENT AND NOISE

- Expect construction equipment and vehicles moving in and out of the work zone
- Construction trucks and equipment may be noisy; the most significant noise coming from breaking and removing roadway pavement and from vacuum trucks locating utilities

## OTHER AREA PROJECTS

- There are other projects that are or will soon have work on Columbia Street, including the Center City Connector and Columbia Street Areaways projects (SDOT), as well as Puget Sound Energy gas main relocation

Digging trench for duct bank installment
