

EARLY UTILITY WORK CONSTRUCTION UPDATE

UTILITY WORK ON ALASKAN WAY STARTING SOON

Starting in late March, underground utility work will begin in multiple locations along the waterfront between Pike and Columbia streets, primarily in the parking area. This work must be completed now before the travel lanes are shifted this fall to prepare for viaduct demolition in 2019.

WORK ZONES

- Starting between Pike and Spring streets (see map)
- Locations south of Spring Street will begin in late spring

SCHEDULE AND HOURS

- Monday through Friday, 7 AM to 5 PM
- Occasional overnight and weekend work

PARKING AND LOAD ZONES

- On-street parking restricted up to two blocks at a time
- Load zones temporarily restricted in active work areas

Utility work map. East/west pedestrian crossings omitted for clarity.

PEDESTRIAN AND VEHICLE ACCESS

- Pedestrians and bicyclists may be detoured
- Alaskan Way will be open to through traffic at all times
- Business access will not be interrupted

EQUIPMENT AND NOISE

- Expect construction equipment and vehicles moving in and out of the work zone
- Construction trucks and equipment may be noisy; the most significant noise coming from breaking and removing roadway pavement and from vacuum trucks locating utilities
