

# PIER 62/63 PHASE 1 REBUILD

As part of the Waterfront Seattle Program, the City of Seattle, together with [Friends of Waterfront Seattle](#), is proposing to rebuild Pier 62/63!

Join us for a public open house to learn more about the project:

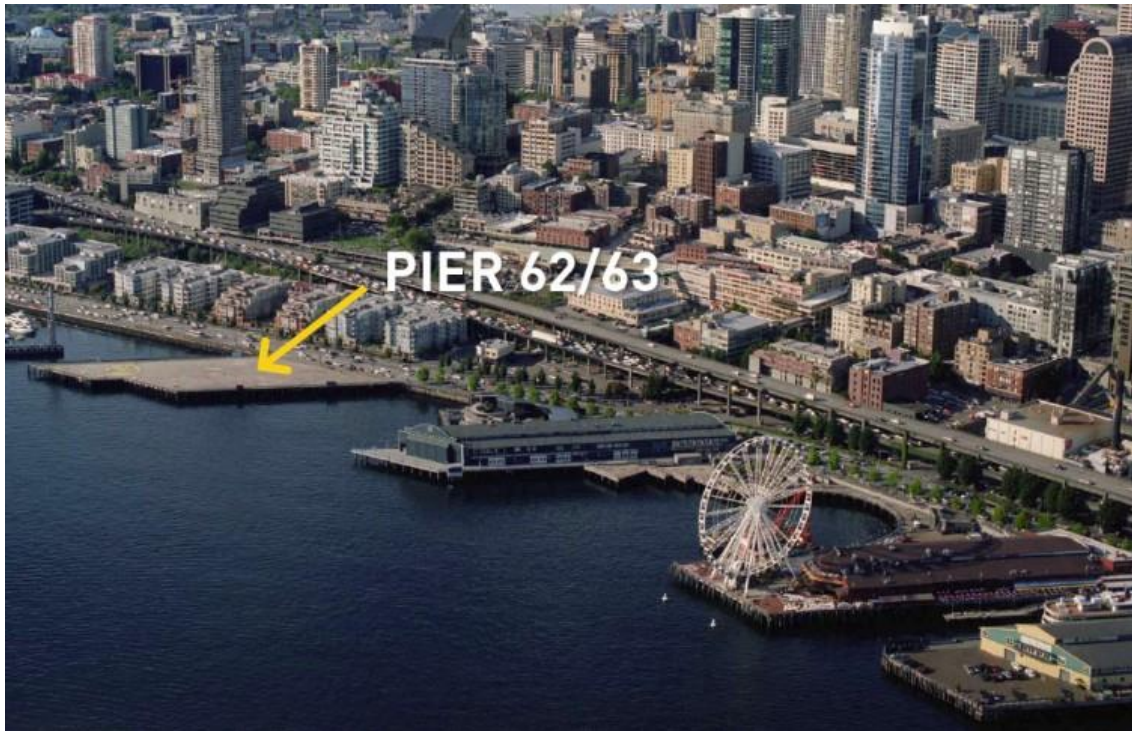

## **PIER 62/63 OPEN HOUSE**

**Thursday, June 23**

**5 - 7 PM**

**Waterfront Space, 1400 Western Avenue**

Free and open to all. Please [RSVP](#) so we know you're coming.

*Pier 62/63 is located on the waterfront just north of the Seattle Aquarium.*

### **PIER 62/63 PHASE 1 REBUILD**

The initial phase will rebuild the southern half of the pier (Pier 62) while preserving the northern half (Pier 63) in place. This rebuild will replace the aging pilings and deck, provide new railings, lighting and utilities for events, and create a new floating dock for small boats to access Elliott Bay.

*The rebuilt pier will include a new floating dock for access to Elliott Bay.*

## FLEXIBLE PUBLIC SPACE

The rebuilt Pier 62/63 will be a flexible space with broad views of Elliott Bay, the Olympics and the Seattle skyline. It will be a place for strolling and viewing, recreation and cultural events, including concerts.

It will also feature public art commissions from acclaimed artists Ann Hamilton and Stephen Vitiello and habitat-friendly features to support the native intertidal habitat.
