## HOT SPOT 2016: TURN UP THE HEAT!

Friends of Waterfront Seattle's 2016 Hot Spot season kicks off with KEXP [Rocks the Dock](#) on July 2. Located in existing Waterfront Park between the Seattle Aquarium and The Great Wheel, Hot Spot is a pilot project that enlivens this public space with free music and other performances and activities, all with an eye towards programming the future waterfront park. The 2016 Hot Spot

season will continue through Labor Day, offering awesome events on Fridays, Saturdays, and Sundays. As summer gets hotter, so will Hot Spot. Check out the Hot Spot events [here](#).

Friends is grateful to the Committee of 33, Nordstrom, Wells Fargo, the University of Washington Department of Architecture, Seattle Office of the Waterfront and Parks and Recreation for their support of Hot Spot.
