NACTO "WALKSHOP" ON THE WATERFRONT

The last week of September, we participated in the National Association of City Transportation Officials (NACTO)'s annual [Designing Cities](#) conference by leading two "walkshop" tours about Waterfront Seattle transportation and street design. It was a great opportunity to share our progress and learn from peers who are working to improve waterfronts and transportation across the country and beyond!

FRIENDS OF WATERFRONT SEATTLE'S HOTSPOT

[Friends of Waterfront Seattle](#), our not-for-profit partner, had a successful second summer season at [Hot Spot](#). The diverse 2016 Hot Spot lineup included dance performances, pop-up soccer with the Sounders' Rave Foundation, parkour, traditional Korean drumming, yoga, DJs, live music and more. The variety brought local audiences to the waterfront and tapped into the immense talent and creativity of Seattle performing artists and [partner organizations](#), while giving Friends the opportunity to test ideas and develop partnerships that will translate to the future waterfront park.

ROOM FOR CHANGE: A NEW MURAL AT THE PIKE STREET HILLCLIMB

For this year's [Seattle Design Festival](#), [Space.City](#), [Urban ArtWorks](#), [Downtown Seattle Association](#) and [Friends of Waterfront Seattle](#) collaborated with artist Carolina Silva to create a mural at the Pike Street Hillclimb, on the waterfront side of Western Ave. The mural, entitled [Room For Change](#), embraces this year's festival theme, Design For Change, and was created with the help of community volunteers. Come check it out!
