PIKE PINE RENAISSANCE: ACT ONE

As part of the Waterfront Seattle Program, the [City of Seattle's Office of the Waterfront](#) and the [Downtown Seattle Association](#) are leading the design of [Pike Pine Renaissance: Act One](#) – a project to improve the pedestrian experience and connect Pike and Pine streets to the waterfront – from Pike Place Market to Capitol Hill. The City will construct these improvements as part of the Waterfront Seattle Program.

DESIGNING WITH THE COMMUNITY

The October open house was the second in a series of events we will host to ensure the design of Pike Pine Renaissance: Act One is informed by community input. We look forward to hearing what you think as we continue to shape the design! With your help, we will enhance this vital corridor to create a comfortable, more inviting space for all to enjoy. We will announce future public meetings and pop-up events along Pike and Pine via our email newsletter and post them on the Waterfront Seattle [events calendar](#).
