

PIONEER SQUARE ONLINE OPEN HOUSE

The online open house is now live through April 23!

We would love to hear your thoughts on the Pioneer Square East West Pedestrian Improvements project. We are still in the early design phase and your feedback matters.

This project will construct improvements on key east-west streets – portions of Washington, Main, King and Yesler streets. We are partnering with [Alliance for Pioneer Square](#) to advance this important work as part of the new waterfront. You can learn more about the project [here](#).
