

Thank you to everyone who attended the July 12 event to see the conceptual design and implementation recommendations. Your ideas, questions and enthusiasm will continue to shape the design going forward.

A big thank you as well to local band *20 Riverside* and food trucks *Off the Rez*, *Flair Taco* and *Lucky Devil Doughnut Co.* for being part of this exciting event.

For those that could not attend or want more information, check out the [Seattle Channel video](#) or visit waterfrontseattle.org to view the event presentation, Strategic Plan, Design Summary and other project materials. Check back often for project updates, upcoming events and to share your comments.

Keep the conversation going on [Facebook](#) and [Twitter](#), and check out [Friends of Seattle Waterfront](#) for other ways to stay engaged.
