

Check out these waterfront-related events over the next two weeks - see the Waterfront Seattle and Elliott Bay Seawall models and hear about another waterfront at New York City's Governors Island.

Waterfront Seattle at Seattle Design Festival

The Waterfront Seattle scale model is on the move! See it at [OBJECT Gallery](#) from September 20 - 22 as part of the second annual Seattle Design Festival. Don't miss other great Design Festival events - check out their [calendar](#) to learn more.

Model viewing

September 20 - 22, 2012

Thursday - Saturday, 1-7pm

[OBJECT Gallery](#)

2316 2nd Ave

See Our Future Waterfront at Seattle Center

As part of [The Next 50](#), Seattle Center is hosting a special event featuring models of the State Route 99 tunnel boring machine, existing Elliott Bay Seawall and Waterfront Seattle scale model. In the evening, join us for a presentation and discussion sharing how the State of Washington and the City of Seattle are working together to transform the waterfront.

Monday, September 24, 2012

12 pm to 7:30 pm (presentation at 6 pm)

[Amory/Center House](#) at Seattle Center

305 Harrison Street

Creating a New Waterfront Destination: Learning from New York City's Governors Island

[Friends of Seattle Waterfront](#) is hosting a lecture by Leslie Koch, President of the Trust for Governors Island, a 172 acre island in New York Harbor that has been transformed from an abandoned military base into a vibrant public space, attracting hundreds of thousands of visitors and a diverse array of arts and cultural programs. [Learn more about Governor's Island.](#)

Thursday, September 27, 2012

6:30 pm

McEachern Auditorium

Seattle's Museum of History & Industry (MOHAI)

McCurdy Park

2700 24th Ave East

All events are free and open to the public.
